Dove House
CHILDREN'S ADVOCACY CENTER

On January 1st, 2022, Dove House will enter our TWENTIETH year of service to our community! Join us in celebrating this milestone by donating \$20 for 20 Years of service.

Our very first client, a 15-year-old girl, walked through our doors on September 9th, 2002, and thus began our journey of seeking healing and justice for her and thousands of children to follow. At an average rate of 4 new cases per week, as of January 1st, 2022, we have provided critically needed services to over 11,500 child victims and their non-offending family members. This remarkable achievement is only possible with the support we have received over the last 20 years.

With your continued support, we can continue this important child advocacy and intervention work with these very brave children and devastated family members, at no cost to them. Additionally, we can continue our prevention outreach program, "Safety First!", for all 1st and 5th graders throughout the school systems.

We are grateful and thankful for your support!
